- a. Photocopying: 25¢ per page for paper documents that can be duplicated on the Township's photocopier.
- b. Electronic copies: \$1.00 per computer 3.5 floppy disk or CD-R, for material that is electronically stored and which is requested to be copied on to a disk or CD-R. Only disks or CD-Rs furnished by the Township will be used to duplicate electronically stored records (to protect the Township's systems from possible outside electronic interference or infection).

2. Fees for duplication of records, which cannot be accomplished by the Township. The fee for duplicating records which the Township staff cannot perform at the Township Office with Township equipment shall be the actual cost of production to the Township (Examples of documents that the Township may not be able to duplicate with its equipment are: subdivision plans; land development plans; drafts of survey; zoning maps; and other documents which are larger than 11 inches by 17 inches.) If mailing is requested, the cost of postage will be charged. The township shall require prepayment if the total fees are estimated to exceed \$100.

3. Fees for duplication of records created by others. Certain records are created by others whose living is dependent upon being paid for copies of the documents, or are created by those who may have copyrights to the documents. (An example of the former is a transcript of a hearing prepared by a court reporter who is entitled to compensation for copies of transcripts.) In those cases, the Township will either direct the requester to contact the document's preparer, or (in its sole discretion) the Open Records Officer may cause the copy to be produced and the requester shall be charged the actual cost to the Township for production. An estimated fee for these documents must be paid in advance of the placement of an order for a duplicated copy, no matter what the total cost may be.

4. Copies of published documents. In certain cases, documents are duplicated and ready for distribution in advance of a request. Those documents will be made available at the price determined from time to time by the Township. (Examples of such documents are copies of the Subdivision and Land Development ordinance and the Zoning Ordinance.)

5. Payment of fees. Fees for duplication expenses, shall be paid prior to delivery of the duplicates to the requester. A credit shall be given for any prepayment, and a refund will be given if the cost of production is less than the estimated fee (see ¶ D.3. above). Where the anticipated fees for duplication are likely to exceed \$100.00, the Township may require an advanced payment prior to making the duplicates. (See, Right-to-Know Law, section 1307.(h).)

E. CERTIFICATION OF DUPLICATES

The fee for a certification of a duplicated record shall be \$1.00 per record.

The Open Records Officer shall review all written requests for access to public records. As soon as possible, but no later than five business days after receiving a written request (see section B. above) to access public records, the Open Records Officer shall respond to such requests in writing consistent with Act 3 of 2008, the "Right-to-Know Law".
