

December 1, 1964

The Supervisors of Mt. Joy Twp. held their regular monthly meeting at 8:00 p.m. December 1, 1964 in the election house. All members were present. The minutes of the previous meeting were read and approved.

The first discussion brought before the Board of Supervisors was a petition presented by Mr. Pyle with a large number of signers, all with Mr. Stanley Wolf and Mr. Rex Maddox, to have Twp. #412 rerouted to remove a 90 degree angle curve on property of Mr. Pyle. The property owners, Pyle, Wolf, and Smith, are all willing to donate the land free of cost to the Twp.
