Supervisors should decide how they would like to pay compensation so that each fire company gets the correct amount of compensation due to them. Secretary to see Hockley and O'Donnell to obtain an estimate of how much it would cost Mt. Joy if they had a fire company in their township. (2500 people)

Radio - Supervisors have obtained a copy of the agreement which they would have to sign if deputy constable Dave Kemper is to be authorized to purchase a two way radio for his car. Neth will review the form before a decision is made.

Harry Boose had \$350.00 offer from another municipality for township's tar bucket and chopper. Snyder to call Boose and try to get \$375.00. If not, sell for \$350.00.

In conjunction with the 100<sup>th</sup> anniversary of the founding of the Commonwealth of PA the House of Representatives sent Mt. Joy Township a certificate of establishment commending the township for its contribution to our system of self government. Mt. Joy Township was established in 1749.

Letter was read from Adams County Commissioners on Gypsy Moth program. Applications have been filed for approximately 425 acres of land in Mt. Joy Township.
