Subdivisions:

There were no new subdivisions for discussion.

Road Report:

Pot Holes resulting from winter were patched. King, Speelman-Klinger and Basehoar Roads have been sealed. The mower is ready for mowing.

Correspondence:

-Thank-you letters from Adams County Library, The Gettysburg Fire Department and Littlestown YWCA for the Township's donation.

-NewsSPLASH Newsletter from DER

-Letter from PSATS re: resolution adopted at convention is Hershey. Sixty-eight resolutions brought before the delegate body and approved.

-Letter 4/22/93 from Barry Hoffman re: Rt. 97/15 widening. PaDot can't waiver the concrete paving requirement due to maintenance problems.

-Letter from John Kiehl, VP, Adams County National Bank regarding security of funds in excess of \$100,000.

-Letter re: White Run Subdivision; working on sediment control and storm water drainage permits.

-Notification of utilities from White Run Subdivision.

Old Business:

Rt. 97/Lake Heritage Drive - On May 10, 1993, the supervisors met with Mr. Bell for an update on the Rt. 15/97 area. Mr. Bell will look into the drainage problem on the south side of 97. Township feels that a problem exists, must convince Mr. Bell so that PaDot will help with the cost of the problem. Twp. has been working with Mr. Bell for five years. A problem exists with Spangler School Rd. and Rt. 134 when there is heavy rain. Mr. Bell assures that something will be done in 4-6 weeks if there is no response from one property owner.

At the conclusion of the audit, the auditors were concerned that the Twp. should receive a letter from each fire company stating how the funds were used. Letters have been sent to the fire companies, no replies to date; Barlow Fire Dept. is working on a letter.

New Business:

Mr. Snyder attended a county compost facility in Tennessee. Garbage is brought in three days later comes out separated, put into compost for about three weeks, then screened and used in any usual compost way. Facility looked promising.

Black-topping roads - Roads will be inspected in a few weeks.

Mrs. Davis of White Road Dev. Reported a problem with burning activities in Lake Heritage. Twp. will talk with Mr. Jackson to see how problem can be corrected. Mr. Bell of Hillside Estates reports burning occurring there also. Will try to agree on one day a week for burning. Mr. Moul stated that Lake Heritage is still trying to clean up the winter storm debris.

Public Comments:

Mr. Gitt questioned whether a third person is needed on the road crew. Mr. Snyder replied that it is necessary when running two or three trucks to tar and chip roads. Mr. Gitt then questioned the activities of the road crew on April 21st, what were they doing when it was raining. Mr. Snyder replied that trees were cut on Dague Rd. and some "Stop" signs repaired.

Mrs. Holmes praised the road crew for the fine job they continue to do. As a citizen of Mount Joy Township, she is embarrassed that someone finds the need to follow them around. Several persons from the floor concurred with her opinion.

Meeting was adjourned at 7:59 p.m.
