Mr. and Ms. Bunky Lourey were present for information on the 13 acre parcel of Mr. Harris land on Plunkert Road.

They wanted to know if the 13 acres could be sub-divided into 3 lots. Supervisors advised them it could be but they would need a sewage test done on all three lots. If they wanted to build just one house they would still need a sewage permit test done for one house, unless they have a signed agreement before January 10, 1987 and recorded in the Court House. Then they could build on the 13 acres with-out a sewage test but could not further sub-divided. They would have until January 10, 1987 to complete their house.

Meeting adjourned at 8:40 p.m. by motion of Hilbert.
