Bob Gitt was present and noted that there was another accident at this property on March 3, 1992. In this case, the car ran off of the road and struck his barn, causing considerable damage. Supervisor Moul asked if Mr. Gitt would like to have the Supervisors contact PennDot again and try to have the speed limit lowered to 45 mph. Mr. Gitt noted that he speed limit would not make any difference, but they could try. Mr. Gitt feels that the only solution is to get the farm equipment off the road by making the area in question zoned commercial.

Meeting adjourned at 8:10 p.m.  
Submitted by Ellen T. Dayhoff, secretary.
