

February 13, 1992
Resolution No. 92.003
Sewage Facilities Act

A RESOLUTION ADOPTING THE FEE SCHEDULE FOR
ADMINISTRATION OF THE SEWAGE FACILITIES ACT (ACT 537)
AND THE APPOINTMENT OF SEWAGE ENFORCEMENT
OFFICERS TO ISSUE SEWAGE PERMITS IN MT. JOY TOWNSHIP
FOR 1992.

Now, then therefore be it resolved by the Board of Supervisors of Mt. Joy Township that in a stated meeting on the 13 day of February 1992 do hereby appoint Dean A. Shultz (#00001) as Sewage Enforcement Officer and Marcia H. Braman (#02295) as his assistant and as Alternate Sewage Enforcement Officer for the year of 1992.

And further be it resolved that the fee schedule for the administration of the Pennsylvania Sewage Facilities Act (Act 537) for 1992 be adopted as follows;

I. Application Fee for all new systems-----\$80.00

(a) This fee entitles the applicant to a site investigation, test pit analysis (maximum of three per lot), certification of percolation tests and the officer processing the application.

(b) Any evaluation requiring additional field investigations beyond the initial visits to the site stipulated above will require the following fees:

(1) For each additional visit to the site-----\$40.00

(2) For each additional test pit over two-----\$20.00

(c) If the test pit is not dug when the Sewage Enforcement Officer is notified to inspect the site, or percolation tests are to be reconducted the application will pay the fee for an additional visit to the site.

II. Permit Fee for all single family residents utilizing a conventional system. This includes final inspection of the system (1 trip) -----
--\$50.00

3. Permit Fee for all single family residents utilizing low pressure system. This includes inspection of the system (up to 2 trips)-----\$90.00

4. Permit fee for holding tanks-----\$40.00

Note; (If additional trips to the site are required for inspections over that indicated, the cost per trip will be \$40.00)

V. Permit Fee for all multi-family, commercial, institutional or other applications will be based on the size of the sub-surface disposal system.

Conventional System

- (a) 150 sq. ft. to 1000 sq. ft. -----\$50.00
- (b) 1000 sq. ft. to 2500 sq. ft. -----\$100.00
- (c) 2500 sq. ft. to 5000 sq. ft. -----\$200.00
- (d) 5000 sq. ft. to 10,000 sq. ft. -----\$300.00

Low Pressure System

- (a) 150 sq. ft. to 1000 sq. ft. -----\$90.00
- (b) 1000 sq. ft. to 2500 sq. ft. -----\$140.00
- (c) 2500 sq. ft. to 5000 sq. ft. -----\$250.00
- (d) 5000 sq. ft. to 10,000 sq. ft. -----\$350.00

VI. Inspection Fees-The cost of final inspection is included in the permit fee. If the system is not ready for inspection when notified, or corrections must be made, a fee of \$40.00 will be charged for additional trip to the site.

- 7. Transfer of application and/or permit for conventional system-----\$80.00
- Transfer of application and/or permit for Low Pressure system -----\$125.00

VIII. Alternates to existing systems not requiring soil tests -----\$60.00

- 9. Fee for conducting soil tests on a subdivision or land development. This covers evaluation of test pits (maximum of three per lot), certification of percolation tests, and preparation of soil test reports per lot-----\$150.00

Any evaluation requiring additional field investigation beyond the initial visits to the site stipulated above will require the following fees:

- a. For each additional test pit per lot over the initial two -----\$30.00
- b. For each additional visit to the site-----\$50.00
- c. If the test pit is not dug when the Sewage Enforcement Officer is notified to inspect site, or percolation tests are to be reconducted the applicant will pay the fee for an additional visit to the site.

X. Fee for review of Act 537 planning modules for all residential lots will be \$30.00 for first lot and \$15.00 for each additional lot. For all other reviews; industrial, commercial, institutional, and other facilities will require fees commensurate with the work performed as determined by the municipality.

- 11. Fee for researching files and providing copies of soil reports to persons requesting copies of soil report for lots previously tested-----\$10.00 per report

12. When percolation tests are conducted by the Township Sewage Enforcement Officer Dean A. Shultz, or the Assistant Sewage Enforcement Officer Marcia H. Braman, or Dorothy J. Shaffer, an employee of Gettysburg Engineering Company, inc. who will work under the supervision of the Township Sewage Enforcement Officer, the cost of said test shall be \$150.00 per percolation test.

- (a) This fee shall be paid to the Township in advance of any testing.

- (b) The applicant will be responsible for digging the percolation test holes to the depth and size required to conduct the test.
- (c) The applicant will be responsible for supplying sufficient water at the site for the conduction of the tests.
- (d) If the percolation test holes are not properly prepared by the applicant and test can not be conducted, the applicant will be charged fifty dollars (\$50.00) for an additional trip to the site.

(Signed and Sealed)
