

# RECYCLING RETURNS

*Everyone is Invited*

*(Even if you don't live in Mount Joy)*

Join us for our **Community Recycling and Donation Day** to support local initiatives and make a sustainable impact! This event combines recycling with the opportunity to donate items that will benefit those in this area. Everything donated stays local and supports those in this area. Bring your recyclable materials and gently used goods—clothing, books, and household items, furniture and electronics —to help those in need and reduce waste in our environment.

DONATION RECEIPTS WILL BE PROVIDED
